Descripción:

'My name is August. I won't describe what I look like. Whatever you're thinking, it's probably worse.'

Auggie wants to be an ordinary ten-year-old. He does ordinary things - eating ice cream, playing on his Xbox. He *feels* ordinary - inside. But ordinary kids don't make other ordinary kids run away screaming in playgrounds.

Ordinary kids aren't stared at wherever they go.

Born with a terrible facial abnormality, Auggie has been home-schooled by his parents his whole life. Now, for the first time, he's being sent to a real school - and he's dreading it. All he wants is to be accepted - but can he convince his new classmates that he's just like them, underneath it all?

Now featuring a brand-new chapter
told by bully Julian, WONDER is a
funny, frank, astonishingly moving
debut to read in one sitting, pass on to
others, and remember long after the
final page.
